Topic	NIH Diversity Supplement Professional Development and Networking Workshop
Description	<p>Workshop Goal: To provide networking opportunities and information, guidance, and professional development advice on NIH research priorities and research funding opportunities that will assist diversity supplement recipients in their transition to independent NIH grant support.</p> <p>Note: As a scholar you are required to submit a poster (Presenting and submitting posters are OPTIONAL for undergraduate and postbaccalaureate* scholars), please go to the "Poster Submission" tab to submit your poster. Please submit the poster information by, Friday July 15, 2022.</p> <p>* Poster presentations for postbaccalaureate scholars may be required for some NIH Institutes. Additional information about the poster presentations can be found in the invitation email.</p> <p>Survey Burden Statement OMB# 0925-0740 Exp: 07/2022 Public reporting burden for this collection of information is estimated to average 4 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.</p>
