Subject: 2020 Post-Census Group Quarters Review

The elected officials and town government of Edgefield, SC strongly support the 2020 Post-Census Group Quarters Review (2020 PGCQR) as a means to request that the Census Bureau review their population counts for group quarter facilities by block to correct error(s) affecting the inclusion of group quarters and their population from the 2020 Census. A federal prison was left out of the Town's 2020 Census count resulting in the loss of approximately 2,000 people and a subsequent reduction in municipal aid from the state.
