2020 Post-Census Group Quarters Review, Docket Number USBC–2021–0025

The City of Tempe, Arizona, supports the 2020 Post-Census Group Quarters Review. As home to post-secondary education institutions including Arizona State University, and with high population density and rental housing rates relative to other jurisdictions in the region, the City of Tempe is interested in future opportunities that would review counts of group quarters populations for increased accuracy.

For additional information, please reach out to Marge Zylla, City of Tempe Government Relations Officer, [marge\\_zylla@tempe.gov](mailto:marge_zylla@tempe.gov), 480-253-0199.
