this form should be destroyed and never used. deport this person who does not belong in this country. she is an illegal immigrant,. she has no rights in this country. if her illegal husband happened to abuse her here, that shoudl give her or him no rights to still be here. they are stil both illegal immigrants. this person is not here legally. they are lawbreakers. dont reward lawbreakers. they belong in their own home country, deport this lawbreakers. she or he has no rights here. jail for the abuser and then deport too. doing lawbreaking things - and this is two of them - gives people no right to be here.what kind of insane thinking is going on in the immigration dept to even think of doing this abuse of citizens who want illegals out of american. we dont want to support them they have no legal right to be here.scum break laws. this illegal imigrant broke laws to be herre.
