teh american taxpayers just paid for a ten year census and here you go looking to contact ove r3 million more taxpayer, bothering them forever. when you just did the deed for the ten year. i find this constant harassment of us citizens to be beyond the pale. without any purpose. when you do a ten year survey, that should shut it down for a few years and cool the out of control spending of this dept. this comment is for the publi c record. jean publiee jean [public1@gmail.com](mailto:public1@gmail.com)
