i am firmly opposed to any temporary protected status forms being allowed for any foreigner. it is time we sent most of these foreigners back to their own country.they are being counted in our census they are voting, they are criminals becuase they are lawbreakers, sneaking into the usa shows that they are willing to break laws and are criminals. they know that is not the right way to cross a border. they know and they still choose to break laws. such a person is not a good person to have around in the usa. we have enough lawbrakers already like blm, etc, we dont need more across our southern border or norther border. turn them away. no such approval to lawbreakers and sneaks and people who are anonymous and sneaking intp the criominal element of our country shoudl be here. defund this program
