- 1. Review the business name, contact name, and mailing address and make any necessary corrections (Section 2).
- 2. The Worksites list (Section 3), shows the individual worksites (business locations) that appear in our files for the U.I. Number. Please read across the row for each worksite and do the following:
  - NAME/ADDRESS/DESCRIPTION: Review the name and physical location address for each worksite and make any necessary corrections. Review the description below the physical location to be sure it uniquely identifies each worksite (plant name, store number, etc.). If there is no printed description, please enter a unique identifier for the site.
  - EMPLOYMENT: Enter employment for each month of the quarter. Employment is the total number of full- and part-time employees who worked during or received pay for the pay period which includes the 12th of the month. Include all employees who were subject to Unemployment Insurance laws.
  - WAGES: Enter wages paid during the quarter that are subject to State Unemployment Insurance laws, including the portion that exceeds the State's taxable wage base. Round wages to the nearest dollar.
  - LARGE CHANGES: Use the space beside the worksite to explain any large changes in employment and/or wages. Changes might result from store closings, strikes, layoffs, bonuses, seasonal increases or decreases, or similar events.
  - CLOSED OR SOLD: If a worksite has been sold, closed, or is otherwise inactive, use the space beside the worksite to show:
    (a) the date closed or sold; (b) if sold, the name of the company that bought the business at that worksite; and (c) the purchaser's U.I. Number, if you know it.
- **3.** Is the list in Section 3 complete? That is, does the business operate any worksites using this U.I. Number that do not appear on the form, such as newly-opened worksites or newly-acquired worksites?

**MISSING WORKSITES:** Provide the following information for each additional worksite. You may use available blank lines or attach a separate page. If you are not sure how to report a worksite or employee, please call the office listed in Step 6 of these instructions.

- a. The business name, street or physical location address (NO POST OFFICE BOXES), city, state, and zip code
- b. A unique description or identifier for each worksite (e.g., plant name, store number, or similar description)
- c. The number of employees for each month of the quarter, and quarterly wages
- d. The county, township, city, independent city, or similar geographic area in which the worksite is located
