Hello Jacqueline Rychnovsky,

In response to your comment on OMB # 2900-0002, VBA Pension and Fiduciary Services agrees with your recommendation to add USPHS and NOAA to Block 3E on the new version of the Veterans Pension application, this was formerly numbered as 11B. Further, P&FS will be adding these branches of service to other applicable forms. We appreciate your comments to the upcoming update to our applications.

Warm Regards,

Derek Uttley
