3. Training / Career Exploration – Job Search Preparation

The screenshot shows the 'Job Search Preparation' section of the NIAID eIDP. A modal dialog is open with the following content:

- * Indicates Required Fields**
- Text: "As you plan on your job search, note that there is training available at NIH (for example, CV/resume writing, research statement, writing, etc.). What are you planning to do as part of your job search training?"
- *Description:**
- Text input field with a character count: "50 Minimum character limit" and "1000 Character limit".
- Buttons: "Cancel" and "Done".

The background form includes sections for "Are you planning on pursuing a...", "Specify:", "II. TRAINING/CAREER EXPLORATION", "Upload Curriculum Vitae/CV: *Up", "Depending on your career goal...", and "Skills/Competencies". The "Skills/Competencies" section lists various skills with "ADD +" buttons: Communication, Leadership, Management, and Professionalism, Responsible Conduct of Research and Ethics, Manuscript and Grant Writing, Teaching and Mentoring, Scientific Review, Mandatory Training, and Others.

4. Training / Career Exploration – Graduate/Professional School Preparation

The screenshot shows the 'Graduate/Professional School Preparation' section of the NIAID eIDP. A modal dialog is open with the following content:

- * Indicates Required Fields**
- Text: "As you prepare to apply for graduate/professional school, there are numerous resources available in NIAID and at the NIH to help you (mock interviews, writing feedback, workshops, etc.). What do you plan to do as you prepare to apply for graduate/professional school?"
- *Description:**
- Text input field with a character count: "50 Minimum character limit" and "1000 Character limit".
- Buttons: "Cancel" and "Done".

The background form includes sections for "Are you planning on pursuing a...", "Specify:", "II. TRAINING/CAREER EXPLORATION", "Upload Curriculum Vitae/CV: *Up", "Depending on your career goal...", and "Skills/Competencies". The "Skills/Competencies" section lists various skills with "ADD +" buttons: Communication, Leadership, Management, and Professionalism, Responsible Conduct of Research and Ethics, Manuscript and Grant Writing, Teaching and Mentoring, Scientific Review, Mandatory Training, and Others.

7. Training / Career Exploration – Responsible Conduct of Research and Ethics

The screenshot shows the 'Responsible Conduct of Research and Ethics' section of the NIAID eIDP. A modal window titled '* Indicates Required Fields' is open, showing a 'Description:' text area with a '50 Minimum character limit' and a '1000 Character limit'. The background form includes a question about pursuing additional degrees, a 'Specify:' dropdown, and a section for uploading a Curriculum Vitae. Below these are checkboxes for 'Job Search Preparation' and 'Graduate/Professional School Preparation'. The 'Skills/Competencies' section lists various skills with 'ADD +' buttons: Communication, Leadership, Management, and Professionalism, Responsible Conduct of Research and Ethics, Manuscript and Grant Writing, Teaching and Mentoring, Scientific Review, Mandatory Training, and Others.

8. Training / Career Exploration – Manuscript and Grant Writing

The screenshot shows the 'Manuscript and Grant Writing' section of the NIAID eIDP. A modal window titled '* Indicates Required Fields' is open, showing a 'Description:' text area with a '50 Minimum character limit' and a '1000 Character limit'. The background form includes a question about pursuing additional degrees, a 'Specify:' dropdown, and a section for uploading a Curriculum Vitae. Below these are checkboxes for 'Job Search Preparation' and 'Graduate/Professional School Preparation'. The 'Skills/Competencies' section lists various skills with 'ADD +' buttons: Communication, Leadership, Management, and Professionalism, Responsible Conduct of Research and Ethics, Manuscript and Grant Writing, Teaching and Mentoring, Scientific Review, Mandatory Training, and Others.

9. Training / Career Exploration – Teaching and Mentoring

The screenshot shows the 'idp-test.cancer.gov/idp/career' web application. A modal form titled '* Indicates Required Fields' is open, allowing the user to specify details for a selected activity. The modal contains the following fields:

- *Type:** A dropdown menu currently showing 'Select'.
- *Description:** A text area with a '50 Minimum character limit' and a '1000 Character limit' indicator.
- Buttons:** 'Cancel' and 'Done' buttons at the bottom right of the modal.

The background page is titled 'II. TRAINING/CAREER EXPLORATION:' and includes sections for 'Upload Curriculum Vitae/CV', 'Depending on your career goals and on where you are in coming year.' (with options like 'Job Search Preparation' and 'Graduate/Professional School Preparation'), and 'Skills/Competencies'. The 'Skills/Competencies' section lists various skills with 'ADD +' buttons, including 'Communication', 'Leadership, Management, and Professionalism', 'Responsible Conduct of Research and Ethics', 'Manuscript and Grant Writing', 'Teaching and Mentoring', 'Scientific Review', 'Mandatory Training', and 'Others'.

10. Training / Career Exploration – Scientific Review

This screenshot is identical to the one above, showing the same 'idp-test.cancer.gov/idp/career' web application. The modal form is open, and the background page content is the same. The only difference is the context of the page, which is '10. Training / Career Exploration – Scientific Review'.

11. Training / Career Exploration – Mandatory Training

The screenshot shows the 'Mandatory Training' section of the NIAID eIDP. A modal window is open for adding a new training activity. The modal has a title bar with a close button. Inside, there is a section for 'Indicates Required Fields' with a red asterisk. Below this is a 'Description' field with a 1000 character limit and a 50 minimum character limit. The modal also has 'Cancel' and 'Done' buttons. In the background, the main form is visible, showing a section for 'Training/Career Exploration' with a list of skills/competencies to select from, including Communication, Leadership, Management, and Professionalism, Responsible Conduct of Research and Ethics, Manuscript and Grant Writing, Teaching and Mentoring, Scientific Review, Mandatory Training, and Others. Each skill has an 'ADD +' button.

12. Training / Career Exploration – Others

The screenshot shows the 'Others' section of the NIAID eIDP. A modal window is open for adding a new activity. The modal has a title bar with a close button. Inside, there is a section for 'Indicates Required Fields' with a red asterisk. Below this is a 'Type' dropdown menu with 'Select' as the current selection. Below the dropdown is a 'Description' field with a 1000 character limit and a 50 minimum character limit. The modal also has 'Cancel' and 'Done' buttons. In the background, the main form is visible, showing a section for 'Training/Career Exploration' with a list of skills/competencies to select from, including Communication, Leadership, Management, and Professionalism, Responsible Conduct of Research and Ethics, Manuscript and Grant Writing, Teaching and Mentoring, Scientific Review, Mandatory Training, and Others. Each skill has an 'ADD +' button.
