Hi Danny,

This package is no longer a HMTS and will be switched to a Formative Research Generic submission.

- Can you perform the privacy impact assessment based on this change?

I have also attached some details on the mechanism from our SharePoint site.

Good morning!

We've submitted a GenIC OMB package to the NCIPC OMB office and would like to request a privacy impact assessment as well. All materials from the submission package are attached.

Do let us know if any additional information is required.
