

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:

ACTS - ARBA Case Tracking System

2. DOD COMPONENT NAME:

Office of Secretary of Defense

3. PIA APPROVAL DATE:

ASA(M&RA) - Army Review Boards Agency (ARBA)

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: foreign nationals are included in general public.)

- ☒ From members of the general public ☐ From Federal employees and/or Federal contractors
- ☐ From both members of the general public and Federal employees and/or Federal contractors ☐ Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one)

- ☐ New DoD Information System ☐ New Electronic Collection
- ☒ Existing DoD Information System ☐ Existing Electronic Collection
- ☐ Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

The Deputy Assistant Secretary of the Army (Review Boards) (DASA(RB)) is responsible to the Assistant Secretary of the Army for Manpower and Reserve Affairs (ASA(M&RA)) for the review and adjudication of applications and cases submitted by various parties for the correction of military records, for past and present members of the United States Army (USA) and Army National Guard (NG), or their authorized representative. ACTS Online was designed to allow members of the public to submit applications online for changes to military records, discharges, medical records, legal issues and tracking clemency and parole issues. The DASA(RB) is also the Director of the Army Review Boards Agency (ARBA). ACTS Online operates on a Microsoft Windows operating system platform. Web application and database servers are located in the the Acquisition Logistics, Technology Enterprise Systems &Service (ALTESS) cloud under PEO EIS. Its Cloud Security System Provider (CSSP) is C5ISR in Aberdeen Proving grounds, Md. Users can access the online applications at <https://arba.army.pentagon.mil/online-application.html>. ARBA's HPRM and ACTS database servers interconnect to the ACTS Online database server to retrieve applications.

Information in identifiable form that will be collected includes: Application for Correction of Military Record (DD Form 149), Application for the Review of Discharge from the Armed Forces of the United States (DD-293), PII collected includes personal, law enforcement, legal, medical, employment, education, and military. Information is collected directly from the applicant, or surviving spouse, or next of kin, or authorized representative. Other supporting documentation containing information in identifiable information is collected from the Army's interactive Personnel Electronic Record Management System (iPERMS) and/or from the National Archive and Records Administration (NARA). Information will be collected from any activity having a stake in, or responsive information pertaining to an applicant's request for correction.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

Verification and Identification - The information is used to ensure the proper identification of the individual and his/her appropriate records. To execute the review of a discharge, dismissal or any other correction, reinstatement or in order to provide corrective action and update records, information in identifiable form is collected to verify the identity of the applicant and, potentially, to make a determination regarding discharge, dismissal, or the potential correction of a military record.

Administrative use - Information in identifiable form is collected to process and respond to submitted requests and to render a final determination regarding those requests. To execute the review of a discharge, dismissal or any other correction, reinstatement or in order to provide corrective action and update records, information in identifiable form is collected to verify the identity of the applicant and, potentially, to make a determination regarding discharge, dismissal, or correction of a military record.

e. Do individuals have the opportunity to object to the collection of their PII? ☒ Yes ☐ No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

Applicants are given the opportunity to consent to the use, collection and storage of their information in identifiable form by signing DD Form 149 or DD Form 293, each of which contains a Privacy Act Statement. A Privacy Notice is located on the ACTS Online website that informs the individual of their option to consent by signing, or object to the collection and/or use of their information in identifiable form. It also informs the applicant of ARBA's use sharing and collection practices.

f. Do individuals have the opportunity to consent to the specific uses of their PII? ☒ Yes ☐ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Applicants are given the opportunity to consent to the use, collection and storage of their information in identifiable form by signing DD Form 149 or DD Form 293, each of which contains a Privacy Act Statement. A Privacy Notice is located on the ACTS Online website that informs the individual of their option to consent by signing, or object to the collection and/or use of their information in identifiable form. It also informs the applicant of ARBA's use sharing and collection practices.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

☒ Privacy Act Statement ☐ Privacy Advisory ☐ Not Applicable

The Privacy Act statement reads as follows:

PRIVACY ACT INFORMATION: The authority for collection of information on the DD Form 149 or DD form 293 is Title 10, U. S. Code, section 1552, EO 9397. The principal purpose is to initiate an application for correction of military records. The form is used by Board member's to review of pertinent information in making a determination of relief through the correction of a military record.

Routine Use: None.

Disclosure is voluntary; however, failure to provide identifying information may impede processing of this application.

SOCIAL SECURITY INFORMATION: The request for Social Security number is strictly to assure proper identification of the individual and appropriate military records.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component? (Check all that apply)

☒ Within the DoD Component

NOTE: Original or copy of individual case documents are retained in individual's Official Military Personnel File (OMPF) records permanently.

The electronic version of all records on this schedule that are created by electronic mail or word processing applications will be deleted when the authority to collect information. A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.

(2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.
