**Sent:** Wednesday, June 15, 2022 2:54 PM  
**To:** NCI Fred Conference Planning (NIH/NCI)  
**Subject:** 2022 Technology Showcase - Sept 7

## **2022 Technology Showcase**

**Wednesday, September 7, 2022  
12:00 – 5:15 pm EST**

[Register](#)

Block off the afternoon of September 7, 2022, in your calendar because the National Cancer Institute and Frederick National Laboratory Technology Showcase is returning for its sixth year!

### **OVERVIEW:**

- Free, half-day hybrid event.
- Hear from inventors from the National Cancer Institute and the Frederick National Laboratory about technologies primed for commercialization and/or collaboration.
- Panel sessions focused on technology commercialization.
- Lightning Pitch & Poster Session highlighting additional NIH technologies available for licensing and collaborative development presented by the NCI Technology Transfer Ambassadors Program.
- Keynote by Doug Lowy, NCI Director.
