

18th

International Conference on Malignancies in HIV/AIDS

October 24-25, 2022 | NIH Campus, Bethesda, MD, USA

Abstracts

NOTE important guidance: Please remember to keep your abstract to within one page. Submitted abstracts that represent work already published in a peer reviewed journal will NOT be considered for acceptance

Abstracts deadline is August 26, 2022. Use the Abstract Submission form below to submit your abstract.

Please remember to keep your abstract to within one page. Submitted abstracts that represent work already published in a peer reviewed journal will NOT be considered for acceptance.

Abstract Formatting Requirements

Your abstract should fit within one-page and have the following format:

Margins: 1.0 for the right and left 0.75 for the top 0.5 for the bottom

Font: Calibri 11

Guidance for Header:

Title in Bold (Initial Caps)

Authors in Italics, Presenting author underlined, separated by commas.

Affiliation of authors should be in italics with city and state abbreviation, separated by semi colon. If multiple affiliations, use superscript references.

Text of abstract:

The body of the abstract MUST include the following sections: BACKGROUND, METHODS, RESULTS and CONCLUSIONS. Tables are allowed only if the entire abstract fits onto one page including references. The text for each section of the abstract should highlight and summarize the major points. The BACKGROUND section should provide information on rationale, scope and objectives; METHODS section on how was it studied; RESULTS section should describe what were the principle finding and; CONCLUSIONS section should summarize what does the data mean. The abstract should allow reviewers to determine the merits of the research project being submitted.

Your uploaded abstract should be provided in Word.

OMB No.: 0925-0740
Expiration Date: 7/31/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.
