Contribute to or Edit a Resource in the Digital Ecosystem Evidence Map (DEEM)

If you have a suggestion for improving the information about a resource—or if you think a resource should be added—please consider contributing to the DEEM knowledge base by filling out this short form. All questions are optional.

Notice

The survey is administered by the Digital Strategy team in the USAID Innovation, Technology, and Research Hub. The information provided will be used to improve the Digital Ecosystem Evidence Map (DEEM). The results of the survey, including aggregated datasets, may be shared with our partners, researchers and in public reports. However, your individual responses will not be attributed or linked to you. Completion of this survey is voluntary. You may choose to respond to all or any of the questions. Your participation will help ensure adequate representation of your views in the final results and outcomes. If you agree to participate, you may withdraw your participation in the survey at any time by simply exiting the survey. You do not need to submit any personally identifiable information (such as name or email address) if you do not wish to. For more information, please contact digitaldevelopment@usaid.gov.

The time required to complete this information collection is estimated to average five (5) minutes per response. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: digitaldevelopment@usaid.gov.
