it is time to stop denying all applications for naturalization with about 25 million border crossers here in the usa all leaching on americans. we dont need more citizens at all. we have too manyu here leaching from the american pot and we need a border wall and weneed oir military preventing anybody from sneaking over our southern border. those who live in these other countries need to stay in them. we are being ripped off and robbefd by these lawbreakeres. they are in fact lawbreakers, invaders and robbers who come her with trafficking drugs, crime, lyigj with 20 identifries in their pockets none of which are true. i am not in favor of the current system under senile biden at all. our country is being dumped on tremendously. dumped on to its eemise as a country. i oppose this project thoroguhly.
