i oppose issuing naturalizaton certificates to those who sneak into the usa illegally and unlawfully so that they come here diseased, with 20 identifications on them, bringing drugs with them and meanwihile the senile biden administratino wants to let them become citiziens so they can vote democratic. certainly none of them will vote reublican because they dont know the laws at all.so this election propaganda will be assumed by increasing he population of foreigners who are allowed into this country with no rhyme or reason, people who violate laws to enter a country are not good candidates for citizenship becaues they dont recognize laws, they are lawbreakers ghis entire operation needs to be shut down, we have far too many illegals here already, shut down this operation please
