Hi Sarah,

All is well. Thanks. I hope that you are doing well also. I am forwarding this to Anusha who is now the NCIPC ISSO. She and others from NCIPC IT Security should be able to help.

Sincerely,
Danny

Hi Danny,

I hope you are doing well! Could you complete a PIA for this Dating Matters OMB package? The package will be submitted to OADC through the HMTS GenIC. **If possible, could you complete your review by COB 7/22?**

PS – could you also add the correct functional mailbox, bc I can't remember which one from OI I should include on this request.

Thanks so much,
Sarah
