**PEER Planning for Research Utilization
Participant End-of-Webinar Series Satisfaction Survey**

USAID thanks you for joining us for the Partnerships for Enhanced Engagement in Research (PEER) Planning for Research Utilization activity. We appreciate your time taking this survey, which is intended to help us improve the PEER Planning for Research Utilization activity moving forward. Please answer each question for the webinar sessions you have attended and provide comments if you wish.

Please note that your feedback and responses to the attached questions will be used primarily to evaluate our internal processes and improve them moving forward. We encourage you to be as open and honest as possible. Your responses will in no way affect current or future funding or technical support from USAID, nor will any specific or identifiable information be shared outside of USAID without your explicit consent. Public reporting for this collection of information is estimated to be approximately 5 minutes per response.

Privacy Notice:

The survey is administered by the Research Technical Assistance Center (RTAC). Completion of this survey is voluntary. You may choose to respond to all or any of the questions. Your participation will help ensure adequate representation of your views in the final results and outcomes. If you agree to participate, you may withdraw your participation in the survey at any time by simply exiting the survey. For more information, please contact Rachael Jackson at jackson-rachael@norc.org.

As a reminder, please do not include any *unsolicited Personally Identifiable Information* in response(s).

Thank you in advance for your valuable feedback!

Paperwork Reduction Act Statement:

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 0412-0609. Public reporting for this collection of information is estimated to be approximately 5 minutes per response.
