We appreciate that you chose to participate in this workshop. Please provide feedback to help us make the workshop series more useful for you!

Did you find the workshop useful? \*

- ☐ Yes
- ☐ Somewhat
- ☐ No

How did you find the pace of the workshop? \*

- ☐ Too Fast
- ☐ Just Right
- ☐ Too slow

Do you have any suggestions for how the "Using RStudio with Box" workshop can be improved?

Your answer

---

Since attending the workshop, have you used Box to store your data, code, or files? \*

- ☐ I was already using Box to store these files before attending the workshop.
- ☐ Yes, I have been using Box to store my files in an effort to adopt FAIR research practices.
- ☐ No, I have not made any changes to how I store my files.

If you answered "No" to using Box to store your files, please explain.

Your answer

---

Since attending the workshop, have you used the "boxr" package to read and write data/files between Box and RStudio? \*

- ☐ No.
- ☐ I plan to but I haven't started yet.
- ☐ I've used the "boxr" package to practice the skills presented in the workshop.
- ☐ I am using the "boxr" package to apply the skills presented in the workshop into my research practices.

If you answered "No" to using the boxr package, please explain.

Your answer

---

If you have been using Box or Box+RStudio as demonstrated in the workshop, how has your experience been? Have you ran into any issues? Please describe.
