Thanks for providing your valuable feedback! This survey should only take 5 minutes of your time.

We're a digital team within the federal government team working to improve the Federal Audit Clearinghouse (FAC) based on your feedback.

We're updating the [FAC Resources page](#), which provides helpful resources for both auditors and auditees. Some of the resource links referenced in this survey currently appear on the FAC website, and some are new resource links we're considering adding to the page.

You are rating resources on a scale of 0 (not at all helpful) to 5 (very helpful) to your role as an auditor using the FAC.
