Type of Review: Extension (without change).

Affected Public: Businesses.

Abstract: A Centralized Examination Station (CES) is a privately operated facility where merchandise is made available to CBP officers for physical examination. If a port director decides

that a CES is needed, he or she solicits applications to operate a CES. The information contained in the application is used to determine the suitability of the applicant's facility; the fairness of fee structure; and the knowledge of cargo handling operations and of CBP procedures and regulations. The names of all principals or corporate officers and all employees who will come in contact with uncleared cargo are also to be provided so that CBP may perform background investigations. The CES application is provided for by 19 CFR 118.11 and is authorized by 19 U.S.C. 1499, Tariff Act of 1930.

CBP port directors solicit these applications by using port information bulletins, local newspapers, and/or the internet. This collection of information applies to the importing and trade community, which is familiar with import procedures and with the CBP regulations.

DEPARTMENT OF HOMELAND SECURITY

Transportation Security Administration

Intent To Request Extension From OMB of One Current Public Collection of Information: TSA Reimbursable Screening Services Program (RSSP) Request

AGENCY: Transportation Security Administration, DHS.

ACTION: 60-Day notice.

SUMMARY: The Transportation Security Administration (TSA) invites public comment on one currently approved Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652–0073, that we will submit to OMB for an extension in compliance with the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection

and its expected burden. The collection of information involves an application completed by public and private entities requesting participation in TSA's Reimbursable Screening Services Program (RSSP), currently a pilot program for up to eight locations to obtain TSA security screening services outside of an existing primary passenger airport terminal screening area where screening services are currently provided or would be eligible to be provided under TSA's annually appropriated passenger screening program.

DATES: Send your comments by August 22, 2022.

ADDRESSES: Comments may be emailed to TSAPRA@tsa.dhs.gov or delivered to the TSA PRA Officer, Information Technology (IT), TSA–11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598–6011.

FOR FURTHER INFORMATION CONTACT:

Christina A. Walsh at the above address, or by telephone (571) 227–2062.

SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

The RSSP is authorized by the Consolidated Appropriations Act, 2019, Section 225, Division A (Pub. L. 116–6, Div. A) and amended in the Consolidated Appropriations Act, 2021, Section 223, Division F (Pub. L. 116–
