

The National Cancer Institute Division of Cancer Biology Patient Derived Models of Cancer Consortium Annual Meeting 2022

November 29–30, 2022
Virtual Event

Registration

OMB No.: 0925-0740
Expiration Date: 9/30/2025

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Registration will close on October 30. Upon completion of this form you will receive an email confirming your registration containing the Zoom connection information to join the meeting. If you are a speaker/presenter/moderator you will also receive information regarding a practice session that will be held the week before the meeting.

Abstracts must be submitted at time of registration.
