To Whom it May Concern:

Subject: Consolidated State Performance Report Renewal (Part 1 and Part 2) (OMB Control Number: 1810-0724)

The California Department of Education (CDE) appreciates the opportunity to review and comment on the Consolidated State Performance Report Renewal (Part 1 and Part 2) (CSPR) as proposed in the Federal Register, Volume 87, No. 194 on October 7, 2022. The CDE's responses and questions related to the proposed CSPR Parts 1 and 2 outlined by CSPR section number are the following:

Section 1.6.4.2 Prospective Re-Interviewing Procedures:

Rows 4 and 5 ask about the methods for conducting re-interviews, either face-to-face or remotely; Are states able to answer yes to both face-to-face and remote re-interviews to reflect mixed methods of conducting re-interviews?

Section 2.3.3 Postsecondary program types for which enrollment are reported:

The additional postsecondary program type data are available; however, these are not currently reported in California's state report cards or local educational agency report cards. Adding the postsecondary program types would require staff to analyze the specifications and re-program the code to meet the new specifications. In addition, additional staff time would be needed for the validation and approval process prior to submission. Note that while California currently has a one-year subscription for these data from the National Student Clearinghouse, there is no guarantee that funds will be available for future years to fund this subscription and report these data on an ongoing basis.

Section 2.5.1.1, 2.5.3.1 Title I, Part D, Neglected or Delinquent Students:

The CDE has clarifying questions about the CSPR and the relationship with the approved EDFacts package for school years 2022–23, 2023–24, and 2024–25, Title I, Part D collections.

- The CDE would like to request definitions of the Program/Facility Types for both the SEA (2.5.1.1) and the LEA (2.5.3.1).

- What is the difference between Average Length of Stay (# days) and Average Number of Days Served proposed for Title I, Part D CSPR sections 2.5.1.1 and 2.5.3.1?
