Notice of Annual Factors for Determining Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs for Calendar Year 2021

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: As required by Section 8(q) of the U.S. Housing Act of 1937, this **Federal Register** notice announces the per unit, monthly fee rates used to determine the on-going administrative fees for public housing agencies (PHAs) administering the Housing Choice Voucher (HCV), Mainstream, and

Moderate Rehabilitation programs, including the Moderate Rehabilitation Single Room Occupancy program, for calendar year (CY) 2021. PHAs use administrative fees to cover costs associated with administering the HCV Program. Publishing the CY 2021 fees allow PHAs to budget appropriately and is important for PHA record keeping purposes. Additionally, publishing this notice retroactively allows PHAs to continue portability billing for families that ported in CY 2021. This notice follows HUD's previous publication of the rates on HUD's website and makes no changes to those rates.

SUPPLEMENTARY INFORMATION:

A. Background

This Notice provides the methodology used to determine the CY 2021 administrative fee rates by area, which HUD uses to determine administrative fees for the HCV, Mainstream, and Moderate Rehabilitation programs, including the Moderate Rehabilitation Single Room Occupancy programs. The HCV program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Mainstream Vouchers are tenant-based vouchers serving households that include a non-elderly person with a disability, available to PHAs through a competitive Notice of Funding Opportunity (NOFO), and noncompetitively through CARES Act authorization. The Moderate Rehabilitation program provides project-based rental assistance for low-income families. The program was repealed in 1991 and no new projects are authorized for development. Assistance is limited to properties previously rehabilitated pursuant to a Housing Assistance Payment (HAP) contract between an owner and a PHA.

B. CY 2021 Methodology

For CY 2021, in accordance with the 2021 Consolidated Appropriations Act (Pub. L. 116–260, 134 Stat. 1182), administrative fees are determined
