Subject: Registration is now open! 11th Annual Symposium on Global Cancer Research (April 4-6, 2023 - Virtual)

Dear Colleagues,

We are pleased to announce that [registration](#) is now open for the [11th Annual Symposium on Global Cancer Research \(ASGCR\)](#), which will be held virtually April 4, 2023 – April 6, 2023 as a satellite meeting to the 14th Annual Consortium of Universities for Global Health (CUGH) Global Health Conference. The Symposium is organized through a collaboration with the US National Cancer Institute Center for Global Health; CUGH; the American Society of Clinical Oncology (ASCO); the American Association for Cancer Research (AACR); the African Organisation for Research and Training in Cancer (AORTIC); the American Society of Preventive Oncology (ASPO); and Red de Institutos e Instituciones Nacionales de Cáncer – Sociedad Latino Americana y del Caribe De Oncología Médica (RINC-SLACOM).

The theme of the 11th ASGCR is “Closing the Research-to-Implementation Gap”. The Symposium will bring together leaders in cancer research and cancer control from academic institutions, non-profit organizations, and government agencies around the world to highlight unique research and programs that address the global burden of cancer. Visit the ASGCR2023 event website for more information about registration and the latest on the Symposium agenda, speakers, scientific abstracts, and the 8th Annual Rachel Pearline Award.

We look forward to welcoming you to the 11th ASGCR in April!

NCI Center for Global Health
