U.S. Citizenship and Immigration Services Form Fees Effective XX/XX/2022

The table below presents the fees, effective XX/XX/2022, for all U.S. Citizenship and Immigration Services (USCIS) forms. Each application, petition, or request must be accompanied by the correct fee(s) unless you are exempt from paying the fee(s) or are seeking a fee waiver. If the fee is incorrect, the application, petition, or request will be rejected.

Filing Online

You may file certain forms online as indicated in the table below. If you file your form online (see www.uscis.gov/file-online), the system will guide you through the process of paying your fees with a credit, debit, or pre-paid card. Bank account withdrawals are also available when paying online.

Filing by Mail

If you are filing your application or petition by mail, please visit our website for filing guidance, at www.uscis.gov/forms/filing-guidance/form-filing-tips. Fees for applications or petitions can be paid by check or credit card:

- 1) **Payments by Checks or Money Orders.** You may pay fees with bank drafts, cashier's checks, certified checks, personal checks, and money orders that are drawn on U.S. financial institutions and payable in U.S. funds. Make the check or money order payable to U.S. Department of Homeland Security, do not use the initials "USDHS" or "DHS." Generally, you must mail your check or money order together with your application or petition. Use a separate check or money order for each application or petition you submit. Do not combine the filing fees for multiple applications or petitions into one check or money order.

NOTE: If you send USCIS a check, we will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement. You will not receive your original check back. We will destroy your original check but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, we may reject your application, petition, or request.

- 2) **Payments by Credit Card.** You may pay your fee(s), using a credit card. Please see [Form G-1450](#), Authorization for Credit Card Transactions, for more information. Credit Card payments may be used for all forms except Form I-129, Petition for a Nonimmigrant Worker, for H-1B and H-2A petitions.

Filing at an USCIS Office

If you are filing your application or petition at a USCIS office; cash, a cashier's check or money order cannot be used to pay for the filing and/or biometric services fee. The only payment options accepted at an USCIS office are payment through pay.gov via a credit card, debit card or with a personal check.

Fee Waivers

Certain filers may qualify for a fee waiver for certain forms. See Form I-912, Request for Fee Waiver, at www.uscis.gov/i-912 to determine if you are eligible for a fee waiver. If you are not eligible for a fee waiver, you must submit the correct fee(s).

How to Use the Table Below:

You may search for a specific form by entering a form number, a form name, or a fee in the search box. You may use the interactive rows feature located at the bottom of the table to adjust the total number of rows you see on the page.
