RE: Phasedown of Hydrofluorocarbons: Allowance Allocation Methodology for 2024 and Later Years, 87 Fed. Reg. 66,372 (Nov. 3, 2022); EPA-HQ-OAR-2022-0430, Request for Comments Regarding Paperwork Reduction Act (PRA); RIN 2060-AV45

Dear Mr. Shelanski:

The Chemours Company FC, LLC (“Chemours”) supported Congressional approval of the American Innovation and Manufacturing Act (AIM Act) and, in the main, has supported EPA’s efforts to implement the new law.

Chemours appreciates the opportunity to comment on the EPA’s information collection request (ICR). We offer the entirety of the Chemours submission to The Phasedown of Hydrofluorocarbons: Allowance Allocation Methodology for 2024 and Later Years. The Introduction and the section on the information collection request (ICR) may be of particular interest to OMB. Chemours comments regarding the ICR may be found on pages 37 to 38 of the attached document.

Sincerely,

A handwritten signature in black ink that reads 'Esther Rosenberg'. The signature is written in a cursive, flowing style.
