1. RPA – there doesn't seem to be any questions related to PNP requirements
 - a. Types of services offered at each facility for pnp eligibility/determining mixed use
 - b. SBA Requirements
 - c. Form only allows for one facility – Many applicants have multiple facilities; will there be a place to enter all those facilities?
 - d. There's no question pertaining to the applicant having legal responsibility for the facility
 - e. Rent v. Own
 - f. Facility in use at the time of disaster
2. Impact Survey – Infrastructure Damage Information – Roads are not listed
3. Where/how are materials/supplies, Contracts and Labor entered
 - a. Is there a form that asks for specific materials/supplies that will be purchased to review for eligibility?
 - b. Contracts – not seeing where FEMA is asking for the contract/procurement policy followed/types of work
4. Closeout – What information will be required other than costs? Will FEMA request changes from the original scope of work? Sometimes that amounts to a cost change, however, don't FEMA have to ensure the work that was completed was eligible?
