Having the rights to choose be vaccinated should be a basic human rights for all. If anyone have concerns with the Covid vaccines and chose not to take the shot at this moment. This act will prohibit them from entering the U.S. The United States of America is a great nation that attracts talents all over the globe because of its constitution and liberal ideology. This act deviate from this ideology and the talents may look other places. While other countries are opening their borders to travelers, the talents may choose to go to other countries will the laws are equally liberal, such as Japan, Australia or even rival nations such as Russia. We have been closing our borders for too long, and this have to be stopped.
