Instructions for Bid Form (2009)

EPA Allowance Auctions (40 CFR 73.70 - 73.71)

EPA will hold auctions for spot and 7-year advance SO₂ emission allowances on March 24, 2009. In the spot auction, EPA will sell allowances first useable for compliance in 2009. In the 7-year advance auction, EPA will sell allowances first useable for compliance in 2016. Be sure to send this form to the EPA at the address below. Any person may participate in the auctions by opening an account in the Allowance Tracking System (ATS) and submitting a Bid form. Affected utility sources automatically receive a facility account in the ATS.

Type or complete the form in black ink. You may photocopy this form to make multiple bids, but must sign each form individually.

EPA will accept Acid Rain Program submissions from either the authorized account representative (AAR) or the alternate AAR. (For unit accounts the designated representative (DR) is the AAR and the alternate DR is the alternate AAR.)

If you need assistance or additional forms to make this submission complete, call Kenon Smith at (202) 343-9164.

STEP 1 If you do not have an Allowance Tracking System (ATS) account number you must submit a General Account Form prior to or with this Bid form.

STEP 2 Enter the name (e.g., firm name) you want to appear on all EPA auction results lists.

STEP 3 Each bid requires a separate Bid form.

STEP 7 You must send payment with the Bid form. The payment must be a certified or cashier's check, an EPA Letter of Credit form, or wire transfer of funds to cover the total amount of all your bids. For Bids to be accepted, payments must be received by 4:00pm EDT on March 18, 2009.

- If you are using a certified or cashier's check as a method of payment, each bid requires a separate check, e.g., for three separate bids, submit three separate certified or cashier's checks. If you are using the other payment methods, payment for multiple bids may be added together.
- Make the certified or cashier's check payable to "U.S. EPA."
- To submit a letter of credit, complete the EPA Letter of Credit form and submit with this Bid form. EPA will accept only EPA Letter of Credit forms signed by banks that maintain an account with any Federal Reserve Bank or Branch and are on-line participants in the FEDWIRE funds transfer system.
- If you are using a wire transfer to cover the total amount of all your bids, check the appropriate box on the bid form, and attach a cover letter to the bid form stating your intentions to use a wire transfer. Please complete Step 10 on page 2 of the form to speed the refund process in case your bid is unsuccessful. The funds must be wired to EPA Account: TREAS NYC/(68011233)EPA, ABA #021030004 Transaction Type 10 no later than 4:00 p.m. Eastern Daylight Time on the Wednesday before the date of the auction (March 18, 2009).

STEP 8 If fewer allowances remain in the Auction than you requested, EPA will partially fulfill your bid unless you indicate that you are not willing to purchase fewer.

STEP 9 If you do not yet have an ATS account, enter the name of the AAR or the alternate AAR identified on the General Account Form.

STEP 10 If you are using the wire transfer payment method, enter your 9 digit taxpayer identification number (i.e., Social Security number), the 9 digit ABA routing number, and your bank account number. EPA uses the Automated Clearing House (ACH) payment system to issue refunds, so make sure the ABA routing number is for ACH payments, not for wire transfers. Additionally, enter the name of the Bank, the city in which the Bank is located, and the zip code. Also, enter the name of the AAR or the alternate AAR identified in Step 9 and sign and date.
