Volunteer Iowa (the Iowa Commission on Volunteer Service) is writing to echo our support for the feedback shared by ASC (America's Service Commissions) regarding the proposed Disability Accommodation Reimbursement Request Form. In particular, we would like to highlight that the agency's estimate of the time burden for completion of the form is unrealistic given the information gathering that would be required, both on behalf of the sponsoring program and the direct grantee. We appreciate that reimbursement will be made available for programs providing disability accommodations and thank the AmeriCorps agency for working to have a clear process in place for requesting such funds.
