## General Comment

Is South Korea in the PACT Act? I was stationed there twice in 2010-2011 and 2018-2019. There were many times when the AQI/PP was so high/bad that we couldn't do physical training outdoors and had limited exposure outside during the duty day. I was deployed to Qatar in 2008 while in the Air Force Reserve and it didn't seem as bad.
