USWDS Top Tasks Survey

Questions marked with an asterisk (*) are necessary for the survey to be considered complete. Your participation in this survey is completely optional and you are free to leave the survey at any time. A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 3090-0325 and the expiration date is 4/30/2025. Without this approval, we could not conduct this survey. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the General Services Administration, Regulatory Secretariat Division (MVCB), ATTN: Lois Mandell/IC 3090-0325, 1800 F Street, NW, Washington, DC 20405.

Below is a list of tasks you could do on a design system website. Choose up to FIVE of the tasks that are most important to you. Please trust your first instincts and do not spend more than a few minutes on this exercise.*

Important: Select no more than 5 from the list below. Leave the rest blank.
