the border needs to be walled so that nobody can come across the southern border. we have had 5 million leaches coming here for free food, free rent, free meeical care, free schooling and our citizens have been taxed very very massively to pay for these foreign leaches. they do not belong here. they create crimes in our neighborhoods and deal drugs sneaked in. they are no benefit to america. we have a lwful system that is being ignored by lawbrreaking biden. he is breaking our laws. these illegals are being put up in hotels with room services, laundrey, babysitting and benefits that no american ges. they get free telephones. what american gets a free telephone ever? this favoring of these foreigners over americans is just plain disgusting. and illegal. shut it down. the agencyh is being misused and it is illegal. all foreitgners should stay out of the usa until the people of this country decide they want them. present citizens are agains tthis biden malfeasance by 70%.
