

Cancer Research Data Commons (CRDC)

Spring 2023 Meeting Registration

NCI's Cancer Research Data Commons (CRDC) Spring 2023 Meeting is to provide our core CRDC community key insights into CRDC program plans and priorities, and to collaborate around component and stakeholder needs, challenges and opportunities.

Participants include Federal Leads, key contractors and subcontractors, partners and stakeholder groups.

Topics include:

- CRDC Goals, Roadmaps and Project Planning
- Sustainability Implementation Planning
- Data Sharing Policy Enablement
- Program Spotlights: Data Coordination Center, Data Standards Services
- CRDC Component Highlights

This hybrid meeting will be held online and in-person at the NCI Shady Grove location (9609 Medical Center Drive, Rockville MD 20850) on March 9th and 10th, 2023, from 11:00am-4:30pm EDT.

CRDC community members who have an active role in the CRDC program development, outreach and usability are welcome to register.

A draft agenda will be provided post registration.

Meeting details and final agenda will be sent to registrants in early March.
