Dear Suzanne,

On behalf of the American Economic Association (AEA) and the Industry Studies Association (ISA), I request a copy of the draft ICR for evaluating NSF partnership activities (OMB # 3145-NEW), as invited by the [Federal Register](#).

Thank you and we look forward to seeing the draft data collection instrument and supporting statement. In the meantime, I have posted the following for AEA and ISA members: <https://www.aeaweb.org/forum/3316/evaluation-300-nsf-partnerships-comments-invited-approach> and am happy to revise on the receipt of draft ICR materials.

Sincerely,
