

# Lung SPORE Workshop 2023

Hosted by the DFCI/Harvard  
Lung SPORE

June 12-13, 2023

## Abstract Submission

Use the form below to submit a single abstract. Abstracts are used to inform the agenda based the session topics. Although abstract submission is not required to attend the meeting, in-person meeting attendance is required if the abstract is selected by the scientific committee for either oral or poster presentation. Abstract submitters will choose a session topic, however, there is a possibility that the topic selected will be changed by the scientific committee for agenda balance.

The session topics are:

- Session 1: Driver Oncogene Addiction
- Session 2: Health Disparities in Lung Cancer
- Session 3: Novel Immunotherapeutic Clinical Approaches
- Session 4: Tumor Immune Interactions
- Session 5: Cancer Biology
- Session 6: Lung Cancer Risk and early Detection
- Session 7: Potpourri
- Session 8: SCLC

**Abstract Submission Deadline:** Monday, March 20, 2023 by 3pm ET. Confirmation emails will be sent upon submission.

Abstract submission questions can be addressed to [Tamara Walton](#).

*Please [register](#) before submitting an abstract*

OMB No.: 0925-0740  
Expiration Date: 9/30/2025

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.
