

PROJECT APPLICATION FOR BUILDING CODE AND FLOODPLAIN MANAGEMENT ADMINISTRATION AND ENFORCEMENT

Paperwork Burden Disclosure Notice

Public reporting burden for this data collection is estimated to average 14 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. This collection of information is required to obtain or retain benefits. You are not required to respond to this collection of information unless a valid OMB control number is displayed in the upper right corner of this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, Paperwork Reduction Project (1660-0017) NOTE: Do not send your completed form to this address.

Privacy Act Statement

The collection of this information is authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act, §§ 402-403, 406-407, 417, 423, 427, 428, 502, and 705; 42 U.S.C. 5170a-b, 5172-73, 5184, 5189a, 5189e, 5189f, 5192, 5205; and 2 C.F.R. § 200. This information is collected to provide assistance to eligible jurisdictions and organizations to facilitate the response to and recovery from a Presidentially-declared disaster or emergency, or to provide assistance for hazard mitigation measures during the recovery process. The disclosure of information on this form is voluntary; however, failure to provide the requested information may delay or prevent the agency from receiving funds from FEMA's Public Assistance program.

Purpose and Applicability

Building code and floodplain management administration and enforcement activities related to the repair, replacement or retrofit of disaster-damaged structures in the jurisdiction of the Applicant may be eligible for Public Assistance funding. This may include public and private structures. FEMA uses this form to collect information necessary to support the Applicant's claim. For more information, please see [Applying for Building Code Administration and Enforcement Reimbursement through FEMA's Public Assistance Program flyer](#) or [FEMA Policy FP 204-079-01 Building Code and Floodplain Management Administration and Enforcement](#). Please contact the State, local, Tribal, or Territorial emergency management office for additional information.

Recipients and Applicants should use Public Assistance Grants Portal to submit all documentation and information to FEMA. Questions are displayed in an intuitive manner to show the information and documentation needed based on answers provided. All signatures are official and legally binding.

The following information is needed to complete this form:

- The specific activities [to be] conducted
- When, where, and by whom the activities were [will be] completed

Description of Activities

Which of the following activities were [will be] performed? *Please select all that apply.*

- ☐ Building code administration. *Please describe or select from the eligible activities below:*
- ☐ Collect fees.
 - ☐ Contract for services (e.g., contract planning, initiation, solicitation, evaluation, and award).
 - ☐ Coordinate building code administration and enforcement with floodplain management regulation administration and enforcement, as appropriate.
 - ☐ Establish construction plan review and inspection processes, procedures, and instructions for permit holders.
 - ☐ Hire, train, supervise, certify, and license staff, as required to conduct eligible activities.
 - ☐ Monitor impacted areas for unpermitted construction activities.
 - ☐ Process requests for building code variances.
 - ☐ Provide training and information to staff, contractors, and the public on unique considerations for repair of disaster-damaged buildings 45 years or older.
 - ☐ Provide training and outreach to the public on building code and building permit requirements applicable to the repair, replacement, or retrofit of disaster-damaged buildings.
 - ☐ Review and process applications for building permits; certificates of occupancy; certificates of compliance; and the associated plans, specifications, and construction documents for compliance with federal, state, and municipal building, housing, and life-safety codes and standards applicable to disaster-related repair, replacement, or retrofit.
- ☐ Code enforcement. *Please describe or select from the eligible activities below:*
- ☐ Conduct and process condemnation determinations.
 - ☐ Identify and carry out corrective action in cases where construction, design, and occupancy does not comply with codes and ordinances.
 - ☐ Inspect structures under construction for compliance with approved plans, specifications, and all requirements of applicable codes, laws, and ordinances.
 - ☐ Investigate complaints and assist in preparation of materials for abating violations of building codes and related ordinances.
 - ☐ Review and issue elevation certificates.
- ☐ Floodplain management ordinance administration and enforcement. *Please describe or select from the eligible activities below:*
- ☐ Conduct inspections to ensure the removal of temporary fill and related materials used in flood fighting.
 - ☐ Contract for services (e.g., contract planning, initiation, solicitation, evaluation, and award).
 - ☐ Coordinate floodplain management ordinance administration and enforcement with building code administration and enforcement, as appropriate.
 - ☐ Determine whether proposed disaster-related development activities are in areas regulated by the community's floodplain management ordinance or building code.
 - ☐ Enforce or administer standards for development according to community floodplain management

regulations.

☐ Hire, train, supervise, certify, and license staff, as required to conduct eligible activities.

☐ Inspect all disaster-related development in the applicable jurisdiction.

☐ Monitor impacted areas for unpermitted construction activities.

☐ Process, maintain, and track temporary occupancy permits and inspect temporary occupancy buildings.

☐ Process permits for disaster-related development in the floodplain associated with the declared disaster.

☐ Process requests for floodplain management ordinance variances.

☐ Provide information on flood hazards, floodplain map data, advisory flood data, and compliance to residents and property owners.

☐ Provide training and information to staff, contractors, and the public on unique considerations for repair of disaster-damaged buildings 45 years or older.

☐ Provide training and outreach to the public on floodplain permit requirements applicable to the repair, replacement, or retrofit of disaster-damaged buildings.

☐ Review disaster-related development proposals to ensure compliance with the requirements of applicable floodplain management ordinances.

☐ Take corrective action necessary to ensure compliance with Federal, State, and Local floodplain regulations.

☐ Substantial damage determinations. *Please describe or select from the eligible activities below:*

☐ Collect field data for damage assessments.

☐ Conduct damage inventory of structures.

☐ Conduct initial field surveys to determine extent of damage

☐ Determine if damaged structures have been designated as historic or that may be eligible for such designation.

☐ Determine whether proposed improvements are "substantial improvements" and trigger requirements for compliance, including a building permit.

☐ Enter damage inventory administrative data into the Substantial Damage Estimator or comparable data collection software.

☐ Establish damage trends to identify areas to focus building-specific assessment efforts.

☐ Hire, train, supervise, certify, and license staff, as required to conduct eligible activities.

☐ Inform property owners of damage determination and provide compliance requirements.

☐ Perform inspections to ensure compliance with repair and substantial damage construction requirements.

☐ Prepare cost information on repairs and pre-disaster market value estimates for substantial damage estimates.

☐ Review, adjudicate, and resolve Substantial Damage Determination appeals.

☐ Track cumulative substantial damage and repetitive loss for communities.

☐ Other. *Please describe:*

¹ Functionality: Optional not required.

I acknowledge and certify that I have reviewed and understand the following information regarding overarching requirements to receive Public Assistance. Please initial next to each statement.

The State, local, Tribe, or Territory represented has not been suspended or sanctioned and are in good standing with the [National Flood Insurance Program \(NFIP\)](#).

This project application does not claim any activities conducted through the Substantial Damage Data Collection Contract.

The requirement to comply with applicable Federal, State, local, Tribal, and Territorial laws, regulations, and executive orders. Non-compliance may result in denial or de-obligation of funding. This includes but is not limited to laws prohibiting discrimination; complying with the most restrictive of its own documented policies and procedures used for procurements with non-Federal funds; Federal procurement and contracting laws in accordance with 2 C.F.R. §§ 200, compliance with the Environmental Protection Agency guidelines for procurement of recovered materials; environmental and historic preservation laws; and inclusion of required provisions as applicable.

Applicants must maintain all source documentation for each Project for 3 years after the date of transmission of the Closeout Form as certified by the Recipient. Recipients must keep all financial and program documentation for 3 years after the date it submits the final SF-425, in accordance with Title 2 C.F.R. §200.334-337. Longer retention periods may apply to real property and equipment disposition, audits, and litigation. Additionally, State, local, Tribal, or Territorial government laws may require longer retention periods.

The requirement to inform FEMA of all purchased equipment with a fair market value over \$5,000 after it is no longer needed for federally funded programs or projects in accordance with 2 C.F.R. § 200.313. FEMA reduces eligible funding by this amount.

The requirement to inform FEMA if the aggregate fair market value of unused supplies purchased for FEMA projects is over \$5,000 after they are no longer needed for federally funded programs or projects in accordance with 2 C.F.R. § 200.314. FEMA reduces eligible funding by this amount.

All activities on private property must have completed all necessary legal processes and obtained rights-of-entry and agreements to indemnify and hold harmless the Federal Government.

As required by Title VI of the Civil Rights Act of 1964, Sections 308 and 309 of the Stafford Act, and applicable provisions of laws and authorities prohibiting discrimination, all work claimed was [will be] delivered in an impartial and equitable manner.

As required by 44 C.F.R. § 206.228 and 2 C.F.R. Part 200.404, the costs claimed were of a type generally recognized as ordinary and necessary for the type of facility and work.

As required by Stafford Act § 312, I certify that I am not claiming any work or costs that are covered by another source such as revenue, non-federal grants, cash donations, another Federal agency, or another FEMA Program (e.g., Individual Assistance programs or Hazard Mitigation Grant Program). If I receive funding for any work or costs in this project application, I will notify the Recipient and FEMA, and funding will be reconciled to eliminate duplication.

All information provided regarding the project application is true and correct to the best of my knowledge. Upon submittal this project application becomes a legal document. The Recipient or FEMA may use external sources to verify the accuracy of the information entered. It is a violation of Federal law to intentionally make false statements or hide information when applying for Public Assistance. The False Claims Act (31 U.S.C. §§3729-3733) prohibits the submission of false or fraudulent claims for payment to the federal government. Suspicion of fraudulent activities should be reported to the FEMA Disaster Fraud Hotline, the Department of Homeland Security's Office of the Inspector General, or the Department

of Justice Fraud Hotline. I understand that, if I intentionally make false statements or conceal any information in an attempt to obtain Public Assistance, it is a violation of Federal laws, which carry severe criminal and civil penalties including a fine of up to \$250,000, imprisonment, or both. (18 U.S.C. §§ 287, 1001, 1040, and 3571).

Section XI – Applicant Closeout Acknowledgments and Certifications

I acknowledge and certify that I have reviewed and understand the following information regarding overarching requirements to receive Public Assistance. Please initial next to each statement.

Projects were completed in accordance with 44 C.F.R. § 206.205 and the FEMA approved scopes of work, all necessary documents have been received, and any appeal for project overruns have been reconciled.

The Stafford Act Section 705 imposes a 3-year limit on FEMA's authority to recover payments made to SLTT government Recipients and Applicants unless there is evidence of fraud. Section 705 does not apply to Private Non-profit organizations. I have read and understand FEMA issued Recovery Policy (FP 205-081-2), Stafford Act Section 705, Disaster Grant Closeout Procedures, which describes the limitations and requirements in detail.
