Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs Company Registry and Commercialization Information Collection

Appendix IV: Company Registry Database

The fields below describe the data collected for the Company Registry. The Company Registry is collected directly from SBC applicants through SBIR.GOV. SBC applicants are expected to register this information before their first application to the program at any participating agency; thereafter, the SBC applicant is required to update this information upon every application.

Based on 15 U.S.C. 638(k), Information in this database is privileged and confidential and not subject to disclosure pursuant to 5 U.S.C. § 552, Freedom of Information Act. The information is only accessible to participating federal agencies' personnel, agents or contractors. The data will be protected using Point-To-Point Session Encryption. All logins are protected by "https," the industry standard for encryption.

The total estimated burden for the registry databases is <u>approximately 30 minutes</u>. This time includes reading reporting directions, gathering information, and filling out the online data forms.

You are not required to respond to this collection of information unless it displays a currently valid OMB control number. (3245-0356). Comments on this burden or other aspects of this collection of information should be submitted to <u>Director, Records Management Division, 409 Third Street, SW, Washington, DC 20416, and/or SBA Desk Officer,</u>

Office of Management and Budget, New Executive Office Bldg., Rm. 10202, Washington, DC 20503. You may also send comments to SBA via email to technology@sba.gov
