

Appendix E1. FNS PartnerWeb Home Screen

This information (annual submission of Supplemental Nutrition Assistance Program Education and Obesity Prevention Grant [SNAP-Ed] Nutrition Education Plans) is being collected from State agencies seeking SNAP-Ed grant funding to assist the Food and Nutrition Service (FNS) in evaluating requests for grant funds to conduct SNAP-Ed activities. Section 28 of the Food and Nutrition Act, as amended (7 U.S.C. 2046a), authorizes the SNAP-Ed grant program. This is a mandatory collection and FNS uses the information collected to determine whether State SNAP-Ed agencies have produced a persuasive and data-driven needs evaluation of nutrition, physical activity, and obesity prevention needs of the target population and their barriers to obtaining healthy foods and physical activity. This collection does not request any personally identifiable information under the Privacy Act of 1974. According to the Paperwork Reduction Act of 1995 (PRA), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid Office of Management and Budget (OMB) control number. The valid OMB control number for this information collection is 0584-0083. The time required to complete this information collection is estimated to average 1 hour per response. This burden consists of the time it takes the State SNAP-Ed agency to update its State Plan of Operations with changes to its SNAP-Ed Nutrition Education Plan. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place, Alexandria, VA 22314, ATTN: PRA (0584-0083). Do not return a completed form to this address.
