## **State Arts Agency/Regional Arts Organization Survey on Accessibility TA/Resource Needs**

Thank you for your commitment to accessibility. The National Endowment for the Arts (NEA) Office of Accessibility invites you to complete this survey to help us identify how we can support you in your agency's accessibility-related activities, including connecting you to other states or regions that have similar interests or activities. With this information we would be able to, for example, connect someone interested in creating an accessibility committee with others who have also convened accessibility committees. Information from this survey will also help us identify the focus of future, optional learning circles and technical assistance needs. Please complete this survey by [DATE].

Your participation is voluntary. You will not receive any compensation for responding to the survey. You may decline to answer any questions you do not want to answer. Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this survey is OMB No. 3135-0130, and it expires 2/29/24.

It is estimated that the survey will take approximately 10 minutes to complete. Please contact Katharine Hayward, Accessibility Specialist, NEA ([haywardk@arts.gov](mailto:haywardk@arts.gov)) if you have any questions about the survey or need assistance to complete it.
