

OMB Control Number (1910-5160) | Expiration date (12/31/2022)

Thanks for taking the Water Savings Network Survey! Your feedback will help to improve our website resources and inform planning for the 2023 Better Buildings, Better Plants Summit.

Have you visited the Water Savings Network page on the Better Buildings Solution Center in the past six months?

Website link: <https://betterbuildingsolutioncenter.energy.gov/special-initiatives/water-savings-network>

- Yes
- No

On a scale of 1 to 5, with 5 being the easiest, how easy is it to navigate to the water efficiency resource page on the Better Buildings Solution Center?

Page link: <https://betterbuildingsolutioncenter.energy.gov/special-initiatives/water-savings-network/resources>

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

After reviewing the four resource categories on this webpage, please rank the topics that you are most interested in learning more about:

Making a Plan

Monitoring & Tracking

Operation & Maintenance

Featured Partner Solutions (learning from leaders)

What type(s) of resources are most useful for you?

- Presentations
- Successful, replicable case studies
- Webinars
- Toolkits

What resources do you expect to use most on this webpage?

Do you have any other feedback about the water efficiency resource page on the Better Buildings Solution Center? (i.e., Is there anything missing, is there anything you particularly like or dislike, etc.)

What is your top barrier(s) to reducing water use in your buildings?

What topics, technologies, resources would you like to discuss with other Water Savings Network partners?

We thank you for your time spent taking this survey. Your response has been recorded.

Paperwork Reduction Act Burden Disclosure Statement

This data is being collected to help improve customer experience related to DOE's Better Buildings Water Savings Network. The data you supply will be used to improve the Water Savings Network website and help plan for an in-person event in Spring 2023.

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Information Collection Management Program (1910-5160), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC 20585; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-5160), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

Submission of this data is voluntary.
