Through the Institutional Excellence in Diversity, Equity, Inclusion, and Accessibility in Biomedical and Behavioral Research Prize Competition (NIH DEIA Prize), NIH will award \$1 million to U.S. biomedical, social, and behavioral science institutions with transformative solutions that create cultures of inclusive excellence. The NIH DEIA Prize seeks innovative, scalable, and proven strategies. In winter 2023, NIH will award \$100,000 each to up to 10 winners, including up to five teams from limited resource institutions. Winning teams and honorable mentions will have the opportunity to present at a virtual NIH symposium in spring 2024.

During this webinar, we will provide an overview of the prize, walk through the prize website, and answer participant questions. Reminder: In order to submit an entry, you must first register by Tuesday, September 12, 2023, at 5:00 p.m. Eastern Time on nihdeiaprize.org
