

## **Privacy Notice**

The information you provide through your responses to CFI Group (CFI) will assist the study sponsor, the Consumer Financial Protection Bureau (CFPB) to evaluate CFPB financial education resources. No personally identifiable information (PII) will be collected using this survey. Information about your organization, including zip code, position, and professional insights will be collected; however, your feedback will not be used to re-identify you or linked to any direct identifiers.

Participation in this survey is voluntary and you may withdraw your participation at any time.
