## Welcome!

Use the links in the Navigation Bar to enter your data, download data, download resources, and examine reports about past data submissions.

- To enter Grantee data: Click the Grantee link and on the Manage Grantees page then click the 'Data' button next to your grantee.
- To enter Section and Supportive Services referral data: Click the Organizations link, select your grantee, and then click the button ('Sections' or 'Supportive Services') to enter data for that organization.
- To upload a data file: Click the 'Resources' link to download the required file templates and then the 'Imports' link to select a prepared file for upload.
- To download data: Click 'Extracts' to download a data file for your grantee.

## Announcements

### 10/2/2019 - Welcome to the OAHPM Data System
