Greetings,

Please find attached comments on the Procedures for Requests From Tribal Lead Agencies To Use Child Care and Development Fund (CCDF) Funds for Construction or Major Renovation of Child Care Facilities from the National Indian Child Care Association. NICCA is the only representative American Indian and Alaska Native organization serving over 260 Tribal CCDF grantees that serve Tribal children and families across the nation and we appreciate the opportunity to provide these comments to express our needs and share our concerns regarding the use of Child Care and Development Funds for construction and major renovation of child care facilities.

Any questions should be directed to me at this email (jrackliff@nicca.us) or by phone at 202-577-8485.

Thank you,
Jennifer Rackliff
