Form Approved OMB# 0925-0648 Exp.
Date 06/2024

Application for Biospecimens

OMB#: 0925-0766 Expiration date: 07/2023

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0766). Do not return the completed form to this address.

Check which disease type you are interested in accessing biospecimens from. You may check more than one box. *

Huntington's Disease
Spinocerebellar ataxia
Myalgic Encephalomyelitis

For information on each of the following disease types you are interested in requesting biospecimens for please see the following information pages:

- [HD Biosample Access](#)
- [SCA Biosample Access](#)
- [ME/CFS Biosample Access](#)

Note: For access to Parkinson's disease biospecimens, please see the [PD BRAC website](#) and its associated [webform](#).

For questions regarding the NINDS BRAC process please contact NINDS-BRAC@ninds.nih.gov.

Application Title *

If applicable, please match the biosample request title to the title for the corresponding existing or planned grant application.

Applicant (Primary) and Institution Information

Biographical Sketch

Biographical Sketch *

Please upload a copy of your Biographical Sketch.

File Limit: 1

File Size Limit: 2 MB

File Types: gif jpg jpeg png pdf.

No file chosen

Would you like to submit a biographical sketch for (an) additional investigator(s)?

☐ Yes ☐ No

Research Strategy (4-page limit)

Rationale and Background *

File Types: gif jpg jpeg png pdf.

Project Support

NIH funding support *

Do you currently have NIH funding to support this research project?

☐ Yes ☐ No

Table Summary of Samples of Interest

Biosamples/tissue/data requested in a table: In a table, briefly outline the number, type, and amount of biospecimens/tissue requested, including subject type (e.g. HD, control, any specific clinical parameters), visit number (if applicable), volume of sample required, and the cohort or biorepository through which the biosamples are currently available. In addition, the applicant should determine if the samples required are available through the repository prior to submitting an application.
