Privacy Policy: Personal data will be collected, processed and stored by Infinity Conference Group (INFINITY) (the "Processor"), on behalf of the NIH/National Institute of Neurological Disorders and Stroke (NINDS), in its capacity as data controller, only for the preparation and execution of the 16th Annual CounterACT Symposium, August 21-23, 2023. Email addresses will be shared with Constant Contact, for the sole purpose of sending updates and information related to the Symposium. Your personal data will be retained securely and under the applicable law. You may, at any time, request access to your personal data, as well as its rectification, erasure or limited processing, portability of your data, or oppose to the processing by written request addressed to the Data Controller through the e-mail address icg@infinityconferences.com. For more information visit <https://www.infinityconferences.com/privacy-statement/>.

OMB No.: 0925-0740

Expiration Date: 09/30/2025

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.
