Thank you for participating in the 2023 ISC3 Annual Grantee Meeting. Your feedback on the meeting is helpful to inform future planning efforts. Please complete this anonymous survey. All questions are optional, and you may close the survey at any time. Thank you for your time and consideration!

OMB No.: 0925-0642

Expiration Date: 3/31/2026

*Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642. Do not return the completed form to this address.*

1. What were your favorite experiences or moments about the event?

2. What topics would you like to see covered in future ISC3 grantee meetings?

3. What logistical or communications improvements would you like to suggest for next year's grantee meeting? [If none, type "N/A"]

4. What was the most useful networking opportunity (e.g., informal table topic discussions, lunch with sponsor, informal social gathering, conversations during breaks) for you, and why?

5. Do you have any other suggestions or feedback you would like to share?

Yes [Please share in the text box]

No

6. Are you a trainee or early-stage investigator (ESI)?

Yes

No

7. What career development insights or other positive experiences did you take away from being paired with your sponsor/mentor?

8. How could networking opportunities be improved for trainees/early-stage investigators in future ISC3 meetings?
