

EHSS-21 Stakeholder Survey

DOE's Office of Sustainable Environmental Stewardship (EHSS-21) is seeking stakeholder feedback on how important EHSS-21 support is to you in different program areas, and how often you use EHSS-21 support.

EHSS-21 "support" includes direct technical assistance, training, working groups and communities of practice, mailing lists and other forms of communication (Information Briefs, SharePoint, webpages, etc.), voluntary partnership programs and awards.

This survey is anonymous and responses will only be used to improve EHSS-21 assistance activities.

This survey will take approximately 5-10 minutes to complete.

OMB Control Number: 1910-5160

Expiration Date: 2/28/2026

[Paperwork Reduction Act Burden Disclosure Statement](#)

This data is being collected to assess stakeholders needs for EHSS-21 technical assistance. The data you supply will be used for prioritizing EHSS-21 program areas and work to best meet stakeholder needs.

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Information Collection Management Program (1910-5160), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC 20585; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-5160), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.
